

AGENDA of DWARF Meeting January 2017

Thursday, January 12th 2017

9:00

1. Maria Włodarska-Kowalczyk – Welcome and Introduction
2. Hans Petter Leinaas: Body size variations between temperate and Arctic populations of marine and terrestrial ectotherms; Calanoid Copepods and Collembola as model organisms, 30 min
3. Krzysztof Zawierucha: Variability in terrestrial Tardigrada size across temperature and Arctic localities, 15 min (presented by Maria Włodarska-Kowalczyk)
4. Martin Svenning: Genome size, body size and life history in Arctic Charr 30 min
5. Dag Olav Hessen: Potential drivers for (or against) large genome size at low temperatures and its potential bearings for body size. 20 min
6. Kristian Alfsnes: Genome size in arthropods; the role of phylogeny versus habitat and life history 30 min

11:00-11:15 Coffee Break

7. Sławek Kwasniewski: Size-related response of zooplankton to various temperature regimes along latitudinal gradient from boreal to polar marine coastal ecosystems. 30 min
8. Paul Renaud: Climate change, *Calanus* size, and productivity of Arctic marine food chains. 20 min
9. Basia Górka & Mikołaj Mazurkiewicz: Benthic (meiofauna & macrofauna) biomass and production size spectra along the latitudinal gradient (60' - 81'N) - temperature and food availability effects 30 min
10. Mikołaj Mazurkiewicz: Seasonality of benthic size spectra in high Arctic fjord - Kongsfjorden. 10 min
11. Jan Marcin Węśławski: Amphipoda (Crustacea) - perfect animal group for studying size related phenomena. 15 min

13:00 – 14:30 Lunch

12. Ania Stępień: Bryozoan zooid size variability in northern Atlantic and Arctic - changes along bathymetric and latitudinal gradients, temporal variability 25 min
13. Joanna Pawłowska : Foraminifera test size variability - seasonality, past changes record in core samples, spatial variability along latitudinal gradient. 30 min

Dinner in Sopot - at 19:00

Friday, January 13th 2017

9:00

1. Joanna Piwowarczyk: Administrative issues & dissemination activities
2. Dag Olav Hessen & Jan Marcin Węśławski: "The size matters' book – ideas and progress
3. Maria Włodarska-Kowalczyk: ASSW session

Coffee Break at 10:30

4. Dag Hessen: Ideas for the synthesis paper
5. Maria Włodarska-Kowalczyk: Points for discussion on the synthesis paper
6. Discussion
7. Other issues, a new joint proposal?

Lunch at 13:00

List of Participants and emails:

1. Maria Włodarska-Kowalczyk-IOPAS, Poland: maria@iopan.gda.pl
2. Hans Peter Leinaas – UiO, Norway; h.p.leinaas@bio.uio.no
3. Martin Svenning – NINA, Norway; martin.svenning@nina.no
4. Dag Olav Hessen – UiO, Norway; Dag.hessen@bio.uio.no
5. Kristian Alfsnes – UiO, Norway: kristian.alfsnes@ibv.uio.no
6. Paul Renaud - Akvaplan Niva, Norway: paul.renaud@akvaplan.niva.no
7. Sławomir Kwasniewski – IOPAN, Poland; kwas@iopan.gda.pl
8. Katarzyna Błachowiak-Samołyk – IOPAN, Poland; kasiab@iopan.gda.pl
9. Emilia Trudnowska – IOPAN, Poland; emilia@iopan.gda.pl
10. Mikołaj Mazurkiewicz – IOPAN, Poland; mikolajmazurkiewicz.90@gmail.com
11. Barbara Górka – IOPAN, Poland, basia@iopan.gda.pl
12. Agata Zaborska – IOPAN, Poland, agata@iopan.gda.pl
13. Anna Stepień – IOPAN, Poland, stepie.anna@gmail.com
14. Joanna Pawłowska – IOPAN, Poland, pawlowska@iopan.gda.pl
15. Magdalena Łacka – IOPAN, Poland, mlacka@iopan.gda.pl
16. Marek Zajączkowski – Io PAN, Poland, traper@iopan.gda.pl
17. Joanna Legeżyńska- IO PAN, zosia@iopan.gda.pl
18. Jan Marcin Węśławski – IOPAN, Poland, weslaw@iopan.gda.pl
19. Joanna Piwowarczyk - IOPAN, Poland: joanna_p@iopan.gda.pl
20. Mateusz Ormańczyk – IO PAN, Poland: ormanczyk@iopan.gda.pl
